#### Guns for Defense of British Legation

Vera Cruz, February 13.—A party of British bluejackets landed two muchiae guus from the British fingship Suffolk Inte last night, and placed them on board a car on the Mexican Rafilway, consigned to the British legation in Mexico City. With the guns was sent a great quantity of ammunition.

It is assumed here that the guns and ammunition are intended for the defense of the British legation in case of an uprising in the Federal empital.

Vera Cruz, February 13.—Rear Admiral rietcher, commander of the American naval forces in Mexican wa-American naval forces in Mexican wa-ters, to-day forwarded to General Maas. Federal military commandant here, a brief note, calling his attention to the attempted assassination of Lieutenant Arthur B. Cook, of the United States battleship Connecticut on Wednesday

Rear Admiral Fletcher enclosed with his note Lieutenant Cook's report of the shooting, which declared that there was no doubt that the shot, which tore its way through the side of the carriage in which he was riding, was almed at him.

almed at him.
Further action in this matter is dependent on the character of the reply of General Maas.

sistance of the steamer and offered to take off her crew. Captain Cott, commanding the steamer, was told that a severe northeaster was coming up the coast, but he and his crew refused to leave the stranded ship. He requested the life-savers to summon a revenue cutter to assist him, as he believed he could save his ship. The resence of strychnine in water given some of the horses of the American troopers on guard at Ysleta to-day was discovered. Three horses dide on Wednesday night, when the Americans, under Captain A. H. Davidson, of the Thirteenth Cavalry, were rushed to Ysleta in pursuit of Mexican Federal recruits, who escaped across the river. Since then seven more have died. A post-mortem examination to-day disclosed the cause.

Threatens O'Shaughnessy.

The wrecking tug Rescue, which has tenant Cook which, since its occurrence on Wednesday night, had been
kept secret, to-day became generally
known in the American colony and
caused intense excitement. The police
are still searching for the assailant.

Therefore on guard at Isleta to-day was
discovered. Three horses died on Wednesday night, when the Americans, under Captain A. H. Davidson, of the
Thirteenth Cavalry, were rushed to
Ysleta in pursuit of Mexican Federal
recruits, who escaped across the river.
